Rate Card No.15

Green Building News has been a long-time online information source that focuses on sustainable building for the commercial and institutional facilities community, with an audience reach of more than 44,400+. With the launch of **The Vert** NewsWire in November 2017, *Green Building News* continues to be *the* news source for all things related to green building. With monthly content curated from sister publications and industry websites, **The Vert** is now the go-to source for facility administrators, managers, architects, engineers, suppliers and contractors interested in reading more about sustainability in the market. *Green Building News* is also active on social media, bringing industry insight to its almost 50,000 followers on Twitter @GreenBuildNews.

In addition to targeted marketing solutions tailored for *Green Building News* subscribers, Emlen Media offers marketing solutions with its other sister publications, websites and NewsWires covering the vertical markets of schools, healthcare and justice facilities. Combine exposure in *Green Building News* with other market sector publications to maximize your reach and customer base.
