## HOTPRODUCTS

As a valued subscriber to Green Building News, we are pleased to send you this edition of the GBN eZ-Marketplace, a product information service. Simply click the product image to learn more about the product and company. To secure **YOUR** company's product placement, contact [gbn@wmhmedia.com](mailto:gbn@wmhmedia.com)

## Spotlight Product

### [Creative Carpet Collection](#)

Mannington Commercial, a leading manufacturer of commercial flooring products crafted with purpose, is introducing the New Composition Collection. Inspired by Wassily Kandinsky, a pioneer of abstract art and his groundbreaking Composition series, the imaginative modular and broadloom carpet collection transforms flooring design into artistic play, crafting harmonious spaces that are engaging, creative and warm.

## Featured Products

### PVC-free Flooring

Ecore has launched Nada Rx, a new ECOsurfaces PVC-free flooring line that delivers high performance and promotes well-being in commercial spaces that include schools, hospitals, clinical labs and other settings where infection control and sanitation are paramount.

**Ecore**

### Biophilic Design Collection

CertainTeed®, a manufacturer of sustainable building materials, has announced the addition of Petals to its innovative ceilings and walls portfolio.

**CertainTeed**

### Overhead Fans

Cool Boss™, a division of BendPak, expands its product lineup beyond evaporative coolers with the new Tempest and Windstorm series of high-volume, low-speed (HVLS) industrial overhead fans.

**Cool Boss**

### Framed Skylights

Kingspan Light + Air, a division of Kingspan Group PLC, specializing in daylighting, ventilation and smoke management solutions for the sustainable built environment, announces a new addition to its lineup of industry-leading daylighting solutions.
